

# *national* ADOPTION MONTH

NOVEMBER 2022

## **Hello Post-Permanency Families!**

We wanted to share a quick blurb as we are approaching National Adoption Month.

Recently, we received notification that the CASE Center is inviting families to submit and share their adoption stories. Below is the information and how to register.

Additionally, RISE Post-Permanency would love to have families share their adoption stories so when we complete our newsletter for November, we can share those stories. If interested, feel free to email [id-adoptsupport@riseservicesinc.org](mailto:id-adoptsupport@riseservicesinc.org) with your family story and pictures. As we receive these stories, our wonderful Admin, Takisha will keep in touch. We are looking forward to reading and learning about the families we've served, plus any newer families we've not connected with yet.

**"WHILE ADOPTION DOES NOT UNDO THE PAST, ADOPTING A CHILD, AND MORE SPECIFICALLY AN OLDER CHILD, GIVES AN ADOPTIVE FAMILY THE PRIVILEGE OF WRITING THE PARTS OF THE CHILD'S STORY THAT HAVE NOT YET BEEN WRITTEN." — CAITLIN SNYDER**
